Re: In The Matter Of The Application Of Energy Auction House For A Certificate To Provide Electric Supply Services Within The State Of Delaware (Filed April 28, 2014) - PSC Docket No. 14-151

Dear Ms. Langbert:

Via e-mail on August 28, 2014 you indicated that Energy Auction House (the "Company") did not wish to abandon its application for an Electric Supplier Certificate filed on April 28, 2014. After several attempts via email to determine the disposition of the request for information made by Staff in a letter dated July 1, 2014, and as of October 20, 2014, the Commission has not received any of the information requested to complete the application. If the required information is not received prior to **November 8, 2014**, the application will be treated as abandoned and the docket will be closed in accordance with 26 Del. Admin C. § 3001 - (2.4). Once the docket is closed the Company will be required to submit a new application along with another non-refundable application fee.

Please do not hesitate to contact me at (302) 736-7534 or by email at toni.loper@state.de.us should you have any questions.

Sincerely,

Toni Loper
Public Utility Analyst
